

Alastair Sideboard

ASSEMBLY INSTRUCTIONS

ASSEMBLY INSTRUCTIONS: BEFORE BEGINNING

Read these instructions carefully and keep for future reference. Refer to parts inventory for guidance, and ensure you have all pieces before starting. When assembling, place all parts on a soft, clean, and flat surface such as a carpet to prevent scratches.

PARTS INVENTORY		
ID	DESCRIPTION	QTY
1	SIDEBOARD	1

HARDWARE INVENTORY				
ID	IMAGE	DESCRIPTION	SIZE	QTY
A		LEVELING GLIDE	M8 x 35mm	5
B		SHELF PIN	5mm	8
C		SCREW	M4 x 15mm	8

STEP 1

The **LEVELING GLIDE (A)** is located at the bottom of the legs, so when you place the furniture in the right position, you can adjust the **LEVELING GLIDES** depending on the surface. Make sure it is level and stable. Once your Sideboard is level, the assembly is complete.

STEP 2

The wooden adjustable shelf was attached to the **SHELF PIN (B)** for shipping. To change the position of the shelf, first remove the **SCREWS (C)** from the **SHELF PIN (B)**. Remove the shelf and relocate the **SHELF PIN (B)** to another set of pre-bored holes. Re-install the shelf.
