ASSEMBLY INSTRUCTIONS

Read these instructions carefully and keep for future reference. Refer to parts inventory for guidance, and ensure you have all pieces before starting. When assembling, place all parts on a soft, clean, and flat surface such as a carpet to prevent scratches.

STEP 1

The **LEVELING GLIDE (A)** is located at the bottom of the **NIGHTSTAND (1)**. After placing the nightstand in your desired location, you can adjust the leveling glides to accommodate the surface. Ensure the nightstand is level and stable. Once properly adjusted, the assembly is complete.
