

ASSEMBLY INSTRUCTIONS

Alden Table Lamp

LIGHTING

⚠ SAFETY INSTRUCTIONS

These instructions are provided for your safety. It is very important that they are read carefully and completely before beginning the assembly and installation of this lamp. This lamp has been rated for up to one (1) 25-watt maximum standard LED light bulb (included). To avoid the risk of fire, do not exceed the recommended wattage. This lamp is meant for indoor use. DRY LOCATION ONLY. **SAVE THESE INSTRUCTIONS.**

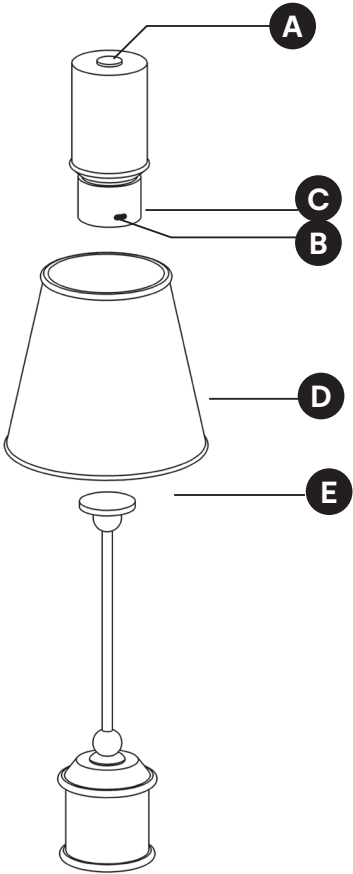

⚠ WARNING

TO REDUCE THE RISK OF FIRE, ELECTRICAL SHOCK OR PERSONAL INJURY, ALWAYS TURN OFF AND UNPLUG THE LAMP AND ALLOW IT TO COOL PRIOR TO REPLACING THE LIGHT BULB. DO NOT TOUCH BULB WHEN THE LAMP IS TURNED ON. DO NOT LOOK DIRECTLY AT LIT BULB. KEEP FLAMMABLE MATERIALS AWAY FROM LIT BULB. RECHARGEABLE BULB CONTAINS LITHIUM-ION BATTERY. DO NOT EXPOSE LAMP TO EXTREME HUMIDITY AND HOT ENVIRONMENTS WHICH CAN PERMANENTLY DAMAGE BATTERY CAPACITY.

ASSEMBLY INSTRUCTIONS

Remove all parts and hardware from box along with any plastic protective packaging. Do not discard any contents until after assembly is complete to avoid accidentally discarding small parts or hardware.

PARTS INVENTORY		
ID	DESCRIPTION	QTY
A	ON-OFF/DIMMER SWITCH	1
B	USCB-C PORT	1
C	CHARGING INDICATOR LIGHT	1
D	SHADE	1
E	SOCKET BASE	1

SHADE AND BULB ASSEMBLY

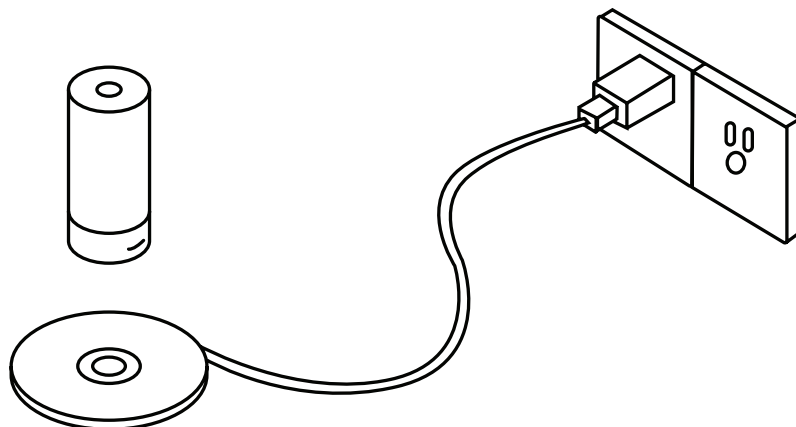

1. Place **SHADE (A)** onto top of **SOCKET BASE (E)**. **NOTE:** If shade has additional packaging, carefully cut off from interior of shade to avoid damages.
2. Place rechargeable bulb into **SOCKET BASE (E)** and thread clockwise until snug.
3. For best results fully charge battery before use.
4. Touch the **ON-OFF SENSOR (A)** on the rechargeable bulb and test the lamp.

ON-OFF/ DIMMER SWITCH

1. Single Touch – On/Off. Tap using the pad of your finger, not the tip of your finger.
2. Long Touch – Adjust brightness. Lightly touch the pad of your finger over the button until you reach the desired output of light.
3. **WARNING: DO NOT PUSH THE ON-OFF/DIMMER SWITCH USING FORCE, DOING SO WILL CAUSE THE BUTTON TO MALFUNCTION.**

CHARGING BY CHARGING DOCK

1. Connect the charging dock with the wire and adaptor.
2. Plug the charger into a power outlet.
3. Place the rechargeable bulb onto the charging point. The charging indicator light (C) is red when charging successfully. If needed, gently turn the rechargeable bulb to make sure the contact point connects well until the red light is on.
4. When the light turns green, the lamp is fully charged. Note: It will take approximately 12 hours to fully charge the lamp

CHARGING BY CHARGING WIRE

1. Remove the rechargeable bulb from the lamp.

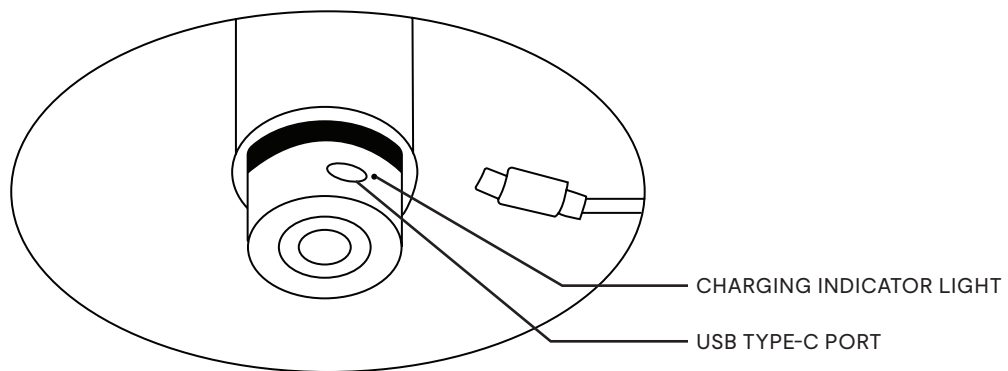

2. Use the USB-C cord provided and connect the rechargeable bulb to any suitable power source.

CAUTION: THIS RECHARGEABLE BULB ONLY OPERATES IN A DC CIRCUIT. DO NOT EXCEED THE MAXIMUM WATTAGE RATING AS INDICATED.

3. The charging indicator light on the rechargeable bulb is red when charging successfully.

4. When the light turns green, the rechargeable bulb is fully charged.

NOTE: It will take approximately 12 hours to fully charge the lamp

RECHARGEABLE BULB STORAGE AND MAINTENANCE

- The rechargeable bulb should be stored in a cool and dry place. Please note that the lamp's performance is subject to a temperature range of 0°C to 40°C (32°F to 104°F).
- The rechargeable bulb can be recharged at any time without the need to fully discharge.
- Use the lamp often. Rechargeable bulbs need regular use for optimum life. Recharge the bulb at least once per month.
- If the rechargeable bulb is completely drained for an extensive period, the bulb may take up to 15 minutes to start recharging.
- Avoid high temperatures. Operating and storing rechargeable bulb in hot environments will impair performance and shorten its life.
- If there is any sign of damage to the rechargeable bulb, please stop using it immediately.
- For a replacement rechargeable bulb, please contact Currey.
- To maintain battery life, avoid keeping the lamp lit while it is placed on the charging dock.

JOON LOLOI

RECHARGEABLE BULB DISPOSAL

Do not put the rechargeable bulb in the trash or municipal recycling bins. Please send it to certified electronics recyclers, or contact local solid waste or household hazardous waste collectors.

Do not incinerate.

CARE INSTRUCTIONS

Wipe clean with a soft, dry cloth or static duster.

Always avoid the use of harsh chemicals or abrasive cleaners as they may cause damage to the lamp's finish.
